

# SPARKMAN

## **Sparkman Cellars : Private Events**

Sparkman Cellars is located in the heart of Woodinville Wine Country. We are pleased to announce that our Tasting Room is available for private event rentals.

Sparkman Cellars offers space to accommodate birthday parties, wedding celebrations, corporate events and more – we will customize our space for you and your guests. Our *Hollywood Hills Winery District Tasting Room* location features a gorgeous acid-dripped copper tasting bar, soft teardrop lighting, and cozy warmth with candles and natural wood. This location is better suited for small to medium sized events and maintains a desirable location near Chateau Ste. Michelle.

We look forward to helping you create a memorable occasion.

Cheers,  
Chris and Kelly Sparkman

### **Deposits and Cancellation**

All special events at our tasting rooms require a 50% deposit and signed contract at the time of reservation. If your event is cancelled 14 or more days in advance, we will refund your entire deposit less a \$100 processing fee. If your event is cancelled between 3 and 14 days in advance, we will refund your entire deposit less a \$300 cancellation fee. Less than a 3 day advance notice of cancellation may result in forfeiture of the advanced deposit. Refunds will not be provided due to inclement weather or rain, but will be considered in extreme situations of snow and/or ice.

## **Rental Pricing**

Our minimum facility fee is \$300 for the *Hollywood Hills Winery District Tasting Room*. This fee covers an event outside of standard tasting room hours for up to 25 guests and lasting up to four hours. If your event is expected to exceed four hours, we will prorate a charge of \$75 per half hour based upon your requested additional time. Also included with this fee is one member of the Sparkman staff for wine tasting, setup, breakdown and closing. If additional staff is required, there will be a charge of \$25 per hour. Staff beyond wine related service is to be provided by the caterer. Additionally, the Winery Tasting Room has the ability (season and weather permitting) to create additional space outdoors for your event with a capacity for up to 40 standing room guests. There is the possibility of lowering the facility fee based on the amount of wine purchased. This pricing is a starting point. We'd like to tailor the experience to your needs.

## **Decor**

If your needs extend beyond what we have, we are happy to assist with event rentals (chairs, tables, linens, silver wear, etc.). We wish for you to have a festive atmosphere for your event but we do not allow the use of confetti, open flames, glitter or anything else that may result in damage to the facility. Please contact us with any décor plans you have and we will be happy to answer any questions regarding allowable décor items.

## **Parking**

Parking can be somewhat limited at our *Hollywood Hills Winery District Tasting Room* depending on day and time. For this location, valet service may be recommended if your event takes place during a time that the parking area is normally full.

## **Food and Wine Service**

Only Sparkman Cellars wines are allowed at your event and must be purchased through the winery. Beer and Champagne may be brought in (a per bottle surcharge fee may apply) but hard alcohol or any other alcoholic beverage are prohibited and may result in a penalty if brought into the facility. Non-alcoholic beverages are available from the winery or you're welcome to bring in your own. All wine is served in Schott Zwiesel crystal stemware. An 18% gratuity will be added to the cost of wine served during the event.

We require any onsite food be provided by one of our preferred caterers listed below. Washington law requires that food be prepared and served by a licensed individual with a current food handler's permit and as such, the caterer must provide at least one onsite employee for any food related setup, service, cleanup (including trash removal), and are required to return the facility into pre-event condition. Any food service contract is to be established between the renter and caterer.
