

# SPARKMAN

For those who have requested to **PICK UP** their allocation, your wine will be available **starting on March 9th** at our Hollywood District tasting room location during business hours. Additionally, for those who would like to taste the wines at a later date but would prefer to pick up their wine now without having to visit our tasting room, we're offering curbside pickup of spring allocations at our new facility, currently under construction (14300 NE 145<sup>th</sup> St, Woodinville, WA), on **Saturday March 14<sup>th</sup>, 21<sup>st</sup> and 28<sup>th</sup> between 11:00-2:00**. Please note that any previous allocations or online orders will only be available for pick up at the Hollywood District tasting room.

Inferno Members who have customized their allocation: If arranging to pick up your allocation on one of the selected Saturdays at our new facility, please email [kristi@sparkmancellars.com](mailto:kristi@sparkmancellars.com) or call 425-398-1045 to have your custom allocation pre-packed.

For those who have requested **SHIPPING**, please email [kristi@sparkmancellars.com](mailto:kristi@sparkmancellars.com) to arrange a shipping date for your wine or to answer any shipping related questions you may have. Depending upon temperature conditions along the FedEx Ground route to your address, allocations will be available to ship from our winery starting Monday, March 16<sup>th</sup>.

***We will not ship your allocation until we receive confirmation from you to ship*** and that you will be available to accept the shipment since a signature of someone at least 21 years of age is required.

Due to excessively cold ground route temperatures to some states and an effort to protect your investment, we ***highly recommend*** holding your wine in our cellar until the weather is appropriate for shipment. For our friends down south, we recommend shipping as close to March 16<sup>th</sup>, to avoid rising temperatures.

The new wines will be available to taste beginning on March 9<sup>th</sup> and we'll be pouring these new wines through the end of March. Watch your email for details on our wine release celebration coming soon to our new facility!

If you have any questions, please contact us at [kristi@sparkmancellars.com](mailto:kristi@sparkmancellars.com).

We look forward to hearing from you and sending your new wines!

Thank you kindly,  
The Sparkman Family
