

SPARKMAN

For those who have requested to **PICK UP** their allocation, you're welcome to pick up **starting on Friday, August 21st** at our new Hollywood Station winery and tasting room (14300 NE 145th St, Woodinville, WA 98072) via our no contact curbside pickup reservation system. If you wish to pick up your allocation before our new location opens for tastings, please go to www.sparkmancellars.com to make a curbside pickup reservation and view available days and time slots. These reservation days and times will be updated on a weekly basis.

For those who have requested **SHIPPING**, please email **wineclub@sparkmancellars.com** to arrange a shipping date for your wine or to answer any shipping related questions you may have. Depending upon temperature conditions *along the entire FedEx Ground route to your address*, allocations will be available to ship from our winery starting Wednesday, August 26th for local shipping and September 2nd for out of state shipping.

We will not ship your allocation until we receive confirmation from you to ship and that you will be available to accept the shipment since a signature of someone at least 21 years of age is required. Please notify us of any update to your shipping address on file.

Due to excessively hot ground route temperatures to some states and an effort to protect your investment, we highly recommend holding your wine in our cellar until the weather is appropriate for shipment.

We look forward to hearing from you and sending your new wines!

Thank you kindly,

Stella Kelly
Ruby Chin
